

Asuris Choice Vision Plan

Vision care can help keep your team healthy

Coverage for fully insured groups of 1-100

Vision care is an important part of overall health. Workers with visual impairments are more likely to be dissatisfied with their jobs—and may be absent more often to deal with the stress and fatigue caused by vision problems. That's why we have vision coverage that promotes preventive care while helping to reduce health care costs.

We offer comprehensive vision coverage delivered through VSP Vision Care, a not-for-profit committed to wellness.

Customized care

Through VSP, eye care is personal and cost-effective. VSP private-practice doctors are accredited by the National Committee for Quality Assurance (NCQA). And they take the time to get to know patients so they can better understand their eye care needs. This ensures quality vision care, year after year.

National network

The VSP Choice network has nearly 119,000 provider access points across the country, including both community-based providers as well as the most popular retail chains, such as Costco® Optical, Walmart®, Sam's Club®, Visionworks® and more.

VSP WellVision Exam

Asuris Choice Vision includes VSP's WellVision Exam. This comprehensive exam can spot a range of vision problems, including glaucoma and diabetic retinopathy, as well as signs of serious health conditions, like high blood pressure and high cholesterol.

*Covered frame allowances may vary at these locations while offering equivalent coverage.

A healthy outlook

Because vision problems can directly affect work productivity, adding vision coverage can lead to fewer missed workdays and lower turnover rates.¹

Groups 1–50: Limited to age 19+ Groups 51–100: No age limit	Total exam and glasses copay		Contact lenses exam and fitting copay		Frames or elective contacts* allowance	
Frequency	In-network	Out-of-network	In-network	Out-of-network	In-network	Out-of-network
Per calendar year	\$0	See schedule below	\$60	See schedule below	\$200**	See schedule below

Standard lenses are covered in full with copay and include single-vision, lined bifocal, trifocal, lenticular and standard progressive lenses. Impact-resistant lenses are covered for dependent children.

*Contact lenses are in lieu of frames and lenses. There is no copay for elective contact lenses.

**Costco, Sam's Club and Walmart have a lower frame allowance equivalent of \$110.

Out-of-network provider allowances

Eye exam: Up to \$45

Single-vision lenses: Up to \$30

Lined bifocal lenses: Up to \$50

Lined trifocal lenses: Up to \$65

Lenticular lenses: Up to \$100

Elective contacts: Up to \$105

Necessary contacts: Up to \$210

Frames: Up to \$70

Contact your producer or Asuris sales representative for more information about how we can help you promote a healthy workforce for the success of your business.
